- Staff Appreciation: December 15 & 18, 2025
 - Reporting for the December staff appreciation, it was a great success. We put this on very well. The teachers loved it. We did cookies, cakes, brownies, and fruit, on the first day. The second day we decided to just do fruits, veggies, and popcorn with the leftover cookies. The reason for the change is because there were lots of treats in the staff room, and I think the teachers were overindulged on sweets already.
 - I think next time for Christmas we should perhaps do just one individually wrapped cookie with a \$5 Tim Hortons giftcard
 - It turns out only 6 teachers are part time so maybe 2 days aren't needed
 - I know for sure we didn't go over budget. Staff appreciation has a yearly budget accounting for 3 staff appreciations.
 - Overall, it was a great two days

- Hot Lunch (Winter)

8) All Other Business - Shelby

- Parking
 - Safety at drop off and pickup have been concerning. Maybe we can make it an idle free zone? Maybe we can put a reminder in the newsletter.
- Hot Lunch Donation Money
 - There is about \$300 in donation. How do we want to deal with this money?
 - Ms Cline will ask staff to see where the school is at and what they are needing.
- Ice Cream Donation

- Wendy has donated ice cream for the school to use. Neda is suggesting that we use it for staff appreciation in March. Send each teacher home with a pint and some toppings.
